My Dear Mr. Powells,

We are sending to-day under separate cover a little lot of the small coins on approval. We were only able to gather 75 of them and hope they will meet with your approval. Will keep a watch out for more and if we discover any shall be glad to send them forward.

I agree with you, the boys are doing a grand job and making plenty of ~~sacrifices~~ sacrifices and if the home front was run as efficiently as the Army and Navy we would not find ourselves in the disgraceful mess we are in now. Everything seems to be a racket and when one man dares to defy the Government and tell the President when and how he shall run things, it becomes nauseating.

Well, here's hoping it will soon be over and that your Victory Garden will be a grand success. With best regards,

Yours very truly,

Lot of 75 small foreign silver coins,
